SKILLS AND INTERESTS

Photography Enthusiast

I am an active member of my school photography club, where I've gained experience covering school events like sports meets and swimming events. I continue to improve my photography skills and regularly share my work on Instagram.

Media Production

As a member of the school media unit, I've worked closely with the team to cover and produce content for various school events, helping me build a foundation in media operations.

Social Media Management

I manage my personal Instagram account, focusing on showcasing my photography and engaging with followers through visual storytelling.

Basic IT Skills

Strong foundation in information technology, proficient in software tools that support multimedia production and photography editing.
